Teaching Artist Review

It was great having you visit with us here at the Marion County Juvenile Detention Center. The residents felt as if you were very down to earth. You were so gracious to let some of our residents hold and attempt to play your violin. Some of them had never held a instrument before. -Chanel Parker, Program Supervisor

Program Description

Rumbas, mambos, bossa novas, and the sambas of Brazil, Cuba, Puerto Rico and the Dominican Republic give students an introduction to Latin jazz. They will learn about the instruments, cultures, and regions where Latin jazz originated.
